

**JEREMY PEMBROKE - CONSERVATIVE CANDIDATE**  
**SUFFOLK COUNTY COUNCIL ELECTIONS 4<sup>th</sup> June 2009**  
**COSFORD DIVISION**

**Jeremy's Priorities :-**

I want to build on what has been achieved during the last 4 years :-

- Protect the most vulnerable whether they be children or adults
- Continuing to keep the level of Council Tax as low as possible.
- Driving down the costs of the County Council, building on the £60m we have already saved –so we can deliver more services to more people.
- Ensuring that NATS are aware of the need for peace and quiet in this lovely part of Suffolk
- Keeping our roads safe, keeping our speed limits observed and for HGVs to stick to their designated lorry routes.
- To ensure our Primary Schools in the Cosford division have all the support they need

**Jeremy Writes :-**

Dear Elector,

Hello, I am Jeremy Pembroke your prospective Conservative County Councillor for the Cosford Division. This will be my third election since I first became a County Councillor. I was first elected in 2001 and in 2005 I was elected Leader of the County Council.

My family and I have lived in Suffolk for almost 40 years. Firstly in Groton and in 1975 we moved to live on Kersey Tye. I really am pleased that under my leadership the County Council was able to join in the protest over NATS proposals and above all to make a difference. There is no doubt that by asking NATS to come and visit me, I was able to express to them the fears of many, many people within the Cosford Division. It made them listen. Rest assured, if I am re-elected and I am asked to form a Conservative Administration then I will keep the pressure on NATS and will monitor very carefully any further proposals they may have.

I regularly attend all Parish Council meetings and hopefully I have managed to get things done, sometimes by directing funds from my Locality Budget to worthy Parish projects. I have been particularly supportive of the Primary Schools within the Division by making funds available so that necessary resources such as books and musical instruments can be provided.

Please accept my best wishes to you and your family.

Jeremy Pembroke
