

JOHN GOLDSMITH - CONSERVATIVE CANDIDATE
SUFFOLK COUNTY COUNCIL ELECTIONS 4th June 2009
KESSINGLAND & SOUTHWOLD DIVISION

John Writes :-

16, Blyth Road,
Southwold

Dear Elector,

I am pleased to have been accepted to stand again as your representative in the forthcoming Suffolk County Council elections. During the past term I have been in close contact with the Parish Councils hearing at firsthand about a variety of issues and I am pleased to report that on many occasions I have been able to help both parishes and individuals. We still have concerns with environmental problems, including flooding, loss of beach levels leading to erosion, and pollution of coastal habitat emanating from both land and sea. These are of major concern, and currently I serve on several committees involved with these matters.

Education continues to be important and any additional monies must be spent wisely for best value pupils' attainments are paramount. I have always sought to do what I believe is in the interests of the community as a whole and I trust you will give me the opportunity to continue.

Thank you for your support in the past. it has been a great honour to serve the Community in this way. I hope you will give me the privilege to represent you again.

John Goldsmith

About John

John was born in Southwold. He is married with two daughters and is now retired from the welding industry. However, he still maintains his contacts with local business trades, such as farming and fishing.

A Councillor since 1975, he has served 12 years on Southwold Town Council, and been a District Councillor since 1984 and a Suffolk County Councillor since 1997.

34 years of commitment. His interests include local history and coastal problems. John was involved with the RNLI for 41 years, first as a crew member from 1963 and finally as curator of the Lifeboat Museum and Historical Society.

He enjoys playing his banjo and fishing, and is probably better known to you as 'Wiggy' Goldsmith.
