

MICHAEL BOND - CONSERVATIVE CANDIDATE
SUFFOLK COUNTY COUNCIL ELECTIONS 4th June 2009
WICKHAM MARKET DIVISION

About Michael :-

Michael Bond has long been associated with Suffolk and was stationed here flying Buccaneers with the RAF. After 17 years service, he went into manufacturing industry and travelled widely, finally spending many years in Germany, where he ran a subsidiary of a large British chemical company. He is married to Mary, and they have a daughter and five grand children, who also live locally.

Michael Bond is staunchly committed to the avoidance of waste and the achievement of efficiency in local government. He already sits on a district council scrutiny committee and on a joint county scrutiny panel. He is a firm believer in the energetic representation of the interests of the people that live and work in this very fine part of Suffolk.

“Private firms in manufacturing, commerce, and agriculture are vital to the health of our economy, particularly for high levels of employment, and I believe that it is vital that local government does its utmost to encourage them. At the same time, we all in Suffolk live in a very beautiful area, and it is a prime duty of councillors to defend our environment against avoidable damage.

A large proportion of our residents live on fixed incomes; moreover even for those in good jobs, money is still tight. All this means that council-tax money must be raised and spent only in the most efficient manner, and a good councillor will devote himself to seeing that this is done.

I intend to fight for the traditionally good things, and I ask you to support me with your vote.”

Michael's Priorities :-

I want to build on what has been achieved during the last 4 years :-

- Keeping Council Tax as low as possible
- Preserving the Suffolk countryside
- Driving up education standards
- Looking after those in need.
