

TERRY CLEMENTS - CONSERVATIVE CANDIDATE
SUFFOLK COUNTY COUNCIL ELECTIONS 4th JUNE 2009
THINGOE SOUTH DIVISION

Terry Writes :-

I have had the pleasure of being your County Councillor since 2005 and Borough Councillor to some of you for 26 years. My role was increased when I was offered the position of Assistant Portfolio for Transport, which fitted in well with my new Portfolio of Transport and Planning at St Edmundsbury Borough Council.

I have chaired various meetings putting forward proposals to keep HGV's off inappropriate roads which has been a major concern of a lot of my Parish Councils. As a part time HGV driver myself I have been able to state the benefits of staying on 'A' roads and having travel plans which help HGV lorry users drive more efficiently with well marked routes.

As a school Governor for over 28 years I can see how valuable local schools are and how they are the heart of the community. My wife Vivienne is a teacher at Gt Whelnetham School and all three of our children have been educated in the state system. Working with Parish Communities Councils, Parish Councils to get various grants obtaining funding and put schemes together has been very rewarding.

I am proud of the achievements of this administration especially on the reduction of the Council Tax and efficiency savings which is the major concern of the majority of my residents. Once again, I am asking for your support to enable me to continue to represent you at Suffolk County Council. I believe in putting people before politics and if I am re-elected on 4 June you can be sure I will continue to work on behalf of all the people in the 17 Parishes regardless of their political beliefs.
