

TONY GOLDSON - CONSERVATIVE CANDIDATE
SUFFOLK COUNTY COUNCIL ELECTIONS 4th June 2009
HALESWORTH DIVISION

Tony Writes :-

Dear Elector,

My name is Tony Goldson, I live in Halesworth and it is my intention, with the support of local people, to use my energy, talent and experience via the County Council to ensure this area (officially The Blythings Ward) flourishes for the good of those people who live and work here.

My credentials for taking this task on are that I am a local resident, with broad life experience, who is not adverse to saying what needs to be said and campaigning on behalf of those who, for whatever reason, need a champion.

I have a background in custodial care, nursing, management and armed forces. My working life has brought me in to contact with all walks of life from Royalty to prison inmates.

From my octogenarian mother-in-law to my teenage daughters, my family and I are involved in and partake of much of what this area has to offer in terms of work, education, recreation and services.

In return for the privilege we give back what we can to the community. I am currently Chairman of Halesworth Play Fields' Association and as such am driving hard to secure our new sporting facilities. A new indoor swimming pool, fitness and sporting facilities in this ward is something I am determined will materialise and soon!

Tony Goldson

Tony's Pledge-

As a Town Councillor for Halesworth I am fully conversant with the many issues and challenges faced by our patch of Suffolk. My pledge is not simply to "try" to do my best, but to absolutely do my best, to ensure life in this area, and all that statement encompasses, continues to flourish.

I was brought up in a village so I understand the needs and values of village life; a background that will be invaluable in a rural ward such as ours.

Every candidate who has ever stood for election desires not only to win, but to win with a large majority. I make no apology for sharing that desire. Backed by a sizeable majority I will be well placed to champion our causes at County level.

That you are taking the time to read this flyer suggests that you have an interest in what happens in this area and may well already be planning to vote in the forthcoming elections; if you care about the outcome why not encourage a non-voter to use their vote and in so doing share in a voice for Blythings Ward?
